

Webinar for POLARIN TA Applicants

Date and time: Monday 14th September 2026, 13.00-15.00 CEST

Zoom link: <https://oulu.zoom.us/j/61791419395>

The webinar provides the participants an introduction to the POLARIN activities and Research Infrastructures offering Transnational Access (TA), followed by information about the 3rd POLARIN TA Call, including the available access modalities, call priorities, eligibility rules, data policy, evaluation and selection process, and how to apply and prepare a successful proposal. The program concludes with an introduction to the POLARIN TAP on-line application platform and time for questions from the audience.
